

Global Heat

Global Heat is a collaboration of six professional, international musicians. This unique group of individuals comes together by combining the best of the Hip Hop, Jazz, R&B, and World Beat styles to **connect your students to the world.**

This cultural arts program is appropriate and entertaining for grades **K-12**; utilizing contemporary music, positive lyrics, and hip hop dance to educate and inspire youth.

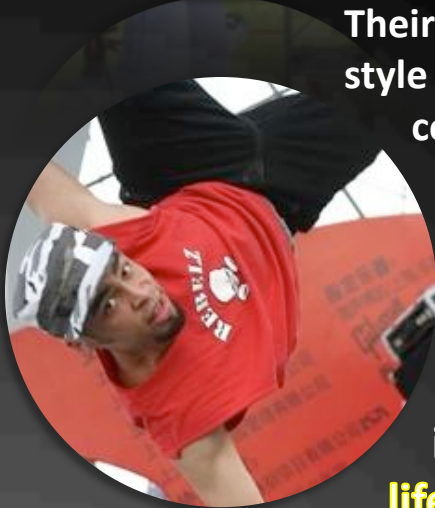

Global Heat's musical influences include **modern** artists like The Black-eyed Peas, The Roots, Herbie Hancock, Earth, Wind & Fire, and more.

Their **high-energy** performance and familiar style immediately charms students and continuously encourages audience participation.

Global Heat's written and free-style lyrics feature elements of both Hip Hop and R&B and include **positive messages about life and appreciating diversity.**

This program is the perfect addition to any diversity or world cultures curriculum.

Workshops in hip-hop music, break dancing, and graphic art are also available.
